Week of November 28, 2016

Happy Thanksgiving! We had a quick yet enjoyable two days. The students wrote creative writing stories after rolling a dice to find out the characters, setting, and problem. They were great! We also are working towards adding two digits “the old fashioned” way. In addition, we finished up our reading about plants.

Next week we will be reading a story entitled “Henry and Mudge and the Starry Night.” We will also be reading about Christmas in other countries.

Please keep up what you are doing in Spelling at home. I am so proud of how well the students are doing. They are working so hard.

In cursive next week we will be doing the lowercase h. Some students struggled with the l. Please work at home a bit, if possible.

We will be making a Christmas present for you. If you could send in \$3 to help defray the cost of this project, it would be greatly appreciated.
