

# The Carterville 5

---

- 1.** Tri-C Elementary will host their annual Family Reading Night this Thursday, November 19<sup>th</sup>. Please come out and enjoy a night of food, reading, and fun! The evening will start at 5:30 and end at 7:00.  
CIS students are currently taking the winter screenings in reading and math this week. Classroom teachers will use this benchmark data to make adjustments to support all learners during W.I.N. (What I Need) time. Special thanks to the team of Title 1 teachers, counselors, and librarians needed to make this happen.
- 2.** CJHS language arts teachers held an event called POP (People of the Past) on Monday. As part of a research project on historical people, 8<sup>th</sup> grade students dressed up and “acted” as their person in a wax museum setting. Parents and the community could “activate” these characters by dropping coins into cans. All proceeds will go to St. Francis Care, an animal rescue group.
- 3.** Carterville High School will be presenting *A Christmas Carol* for the enjoyment of all CUSD #5 students this week. We will also be presenting the play Friday and Saturday evening for our community to enjoy. Tickets can be purchased in the CHS office.
- 4.** Congratulations to the entire Carterville community for the recent recognition within *The Southern* regarding ACT results throughout the state. [Click here](#) to view the article.
