

The Carterville 5

- 1.** Tri-C Elementary students have done a great job performing their Christmas Sings! Thank you Mrs. Horning and teachers for all of your hard work that has gone into the performances.
- 2.** CIS Holiday Sings and Band Concerts were a huge success. Special thanks to all CIS staff and the community for your support of our Fine Arts Department.
- 3.** CJHS is wrapping up the second term and first semester with a Christmas Spirit Week. Each day has a designated Christmas theme. On the final day, CJHS will host a dance in the gym to celebrate the end of the semester.
- 4.** Carterville High School hosted a Blood Drive for the American Red Cross on December 13. Thank you to the 67 individuals who made a donation to this lifesaving cause.
- 5.** CHS Spanish I students presented Christmas carols in Spanish to some of Mrs. Horning's Tri-C music classes. In addition to performing carols, CHS students also surprised the lucky Tri-C classes with personalized ornaments. Thank you to CHS Spanish I students and Senora Eaton for spreading the holiday cheer!
