

The Carterville 5

1. Tri-C Elementary had over 400 students with perfect attendance for the month of August. These students will receive a certificate and a reward for arriving to school on time and being here for every minute of the school day.
2. Click [HERE](#) to see the CIS ABC Award Winners for the month of August. These awards are given out monthly to students that exceed our ROAR expectations in the areas of academics, behavior, and character.
3. CJHS counselor, Lisa Heise, has worked with the Ministerial Alliance representative, Donna Elliot, to acquire shoes for students over the past three years. We are blessed that this group was able to provide over 100 pair for all students in need at CUSD #5. Thank you to Donna, the Alliance, and our Tri-C Community members for helping our kids in need!
4. The CHS *Pride of the Lions Marching Band* had the opportunity to host 15 students from Luxembourg in a cultural exchange this Tuesday, September 1st. Our band students will have the opportunity to perform with these students as part of the National Youth Orchestra at the Shryock Auditorium tonight, September 2nd.
5. Safety is of top priority within Carterville Unit #5. During the month of August, each building completed a series of safety drills to prepare faculty, staff, and students for events such as a fire, earthquake, lockdown, severe weather, and bus evacuation.
